La Liga de la Animación Iberoamericana Focus @Mifa

Mifa - Partner Pitches

Curious about Latin American animation? Don't miss this presentation of animation projects.

This program includes top Latin-American feature film and series projects from Animation! Ventana Sur 2023, alongside a Shortway/Pixelatl award-winning short film project.

We gather the most talented animators and creatives from across the region to inspire collaboration and innovation, pushing animation's boundaries.

Join us to explore Latin-American animation's artistic spirit.

At the end of the session there will be the Quirino's executive producers residency official presentation.

Moderator:

Silvina Cornillon – ANIMATION! VENTANA SUR

Special Activities & Conferences / Actividades especiales y Conferencias

To enter these activities, please check the Ancey website for the access conditions.

NXLB Generation: Disruptive Technologies in the Animation Industry

Cities / Industry panels

Attend the Next Lab Generation conference and find out more about their objectives and work.

Next Lab Generation is an initiative based on a workshop, an event and an online platform. Our objectives are to encourage the use of innovative technologies for audiovisual production, discover and support talent as well as strengthen the business network and digital entrepreneurship.

This 4th year we focused on the use of VR, XR, AR and video game render engines for prototyping and animation production.

Moderator: José Luis Farias Gómez - NEXT LAB GENERATION

Among speakers:

- Lidia Luna
- Nacho Subirats
- Omayra Gonzalez Perez
- Paula de Abreu Resende
- Toni Mortero

Friday, 14 June at 09:15 - Impérial Palace - Rotonde de l'Europe

[+Info](#)
